KEIL-MILLERS' GLAD a LOT

Located on Rt. 9H south of Rt. 9 & 9H junction
VALATIE, N. Y.

Welcome

To our exciting world of beauty and enchantment.
A never ending array of nature's glory. Our
recommendations come from years of observation and
popular acclaim.

How to Order

Our policy is to sell bulbs we have grown at least 2 years. We try to keep varieties true to name but due to errors beyond our control, there may occur a rogue.

All orders accepted with cash in full. For this we pay postage on all retail orders. In addition we give a bonus in something extra nice. If you care to pay postage, you will earn yourself a bonus. No orders taken for less than \$5.00 due to increased handling cost, postage and material.

Will ship at earliest safe date. Any earlier at your own risk.

On all orders from \$10.00 to \$20.00 we give extras. Your choice of 15% value in bulbs. From \$20.01 to \$50.00 a value of 20% in bulbs your choice.

Any variety not listed that you may desire, please write for it. You see, we have over 1,000 varieties, but cannot list the smaller amounts.

Please give a second choice in size or variety in case we are sold out. State if color may be substituted similar to your first choice.

We welcome any inquiries. We had some trouble in not getting our mail answered and feel it is unforgivable. The smallest puzzle can be so aggravating. But then again, some kind persons have given us valuable time to drop us a line and settle our nerves.

Our bulbs are guaranteed healthy. Through work and minute inspection show results.

Selling-size listed is No. 1s. Figure 2 for the price of 1½ in No. 2s, and 2 for the price of one in No. 3s. Jumbo is 2 inches or larger and cost 1½ times the price of No. 1, any variety.
